## NORTH LAKES PHYSIE

---

Welcome to Northlakes Physical Culture. We are proud to be a club that is built on the foundations of family, friendship and fun. A club where we feel empowered to grow together as strong, confident girls and ladies. Where everyone is accepted for who they are, and where everyone is supported and motivated to be the best they can be.

At Northlakes Physie we encourage all our girls and ladies to build their physical strength and increase their flexibility, but on top of that we believe that teaching with a caring and encouraging attitude is what will really boost our students self-confidence and bring out their inner star.

We are dedicated to good sportsmanship, teaching girls to have respect for themselves and others, and working together as a team to achieve our dreams and goals.

*Building friendships that last a lifetime*

## W H A T I S P H Y S I E

---

Physie provides all girls and women, irrespective of age or ability, with a **platform to shine**. Physie is a sport for life!

Founded in 2017, Northlakes Physie is affiliated with Bjelke-Petersen School of Physical Culture (BJP Physie). Long before exercise became a growth industry, Physie was keeping Australians fit and healthy. In fact, it has been established in Australia since 1892! Of course, what Physie is now is not the same as it was back then. Physie is now as contemporary as the music we dance to. But the principles of the exercise are still the same: building aerobic fitness, muscle strength and tone, good posture, and increasing flexibility, balance and coordination.

Physie has grown to become a unique and inspiring dance sport for girls and women of all ages. Combining various elements of ballet, jazz, contemporary, hip hop and aerobics.

The innovative and age appropriate choreography changes annually, and is designed to teach the relationship of movement to music, rhythm, coordination, balance and musical interpretation.

The BJP syllabus consists of six routines for each age group (Marching, Warm Up, Floor Drill, Relaxed/Contemporary, Exercises, Dance) with choreography designed to be achievable by all skill levels.

We practice and perfect routines throughout the year with the Physie year culminating in a series of competitions for both teams and individuals. Although competing is not mandatory, the process of learning, perfecting and performing a new syllabus each year helps girls stand tall with strength, pride, confidence and self-assurance.

## CLASSES

Classes are held on Mondays & Tuesdays in the following age groups:

- Under 5s
- 5 - 8 Years
- 9 - 12 Years
- 13 Years - 1st Year Seniors
- Seniors
- Ladies

**The BJP Physie age year begins on 1 September. Therefore the age you are on 31st August determines which age group you will be registered in for that year.**

We understand that some girls may be uncomfortable about separating from their parent/carer, and as such we will allow those parents/carers into the class for a few weeks. After this we ask that parents/families not be in the room while class is in progress as we find students are more attentive and open to learning.

# ANNUAL COMMITMENT

---

**Your annual membership with Northlakes Physie is a commitment to yourself and the club.** We love to see the growth and development each of our members makes throughout the year. That begins with commitment.

At Northlakes we are committed to our Physie Family and we ask all our members to commit to the following:

- ✓ Be respectful, polite and supportive of each other at all times.
- ✓ Arrive 5 minutes prior to class start so that classes can begin on time.
- ✓ Wait outside the hall until your class begins. Please respect the teachers and other students by not entering the hall while another class is in progress.
- ✓ Advise us if you will be absent from class.
- ✓ Ensure that appropriate dance clothes/uniform is worn to class.
- ✓ Leave mobile phones at the front of the class on silent or switched off.
- ✓ Commit to Physie as soon as you enter the room, and give your best effort every class.
- ✓ If you are selected to participate in a Team, you agree to commit to all team classes.
- ✓ Commitment also means putting in effort outside of class hours to stretch, and practice.

We value parent/family support of our students and believe that the Northlakes Physie family is a wonderful place to make strong friendships.

We ask all parents/families to support and encourage our Northlakes members to develop the habit of practicing their Physie at home.

At competitions we ask that all Northlakes Physie family members try to sit together. This shows unity within our club and also creates a comfortable and welcoming place for our girls and their families to sit. We have a selection of Northlakes Physie Club uniforms available and love to see parents and families supporting the club by wearing our logo.

When you decide to do something  
remind yourself that **it is commitment**  
**not motivation** that matters

# MEET OUR TEAM

---

## KYLIE MARTIN

Starting Physie at the age of 7 and continuing until 17, Kylie competed at National level and placed 4th at the Opera House. After a break of nearly 18 years, Kylie returned to the sport she loved so much with her 3 beautiful daughters. In 2017 after 6 years as a BJP Associate and teaching physie with another club, Kylie decided it was time to take her passion for Physie to the next level and opened Northlakes Physie Club.

*"I just love that Mums, Daughters and even Nans can all do Physie together. It is wonderful to be able to give girls the opportunity to dance with their friends. But what I love most is seeing how much each girls self-confidence develops throughout the year."*

## THERESE ATKINS

With a perfect pointe welcome, Therese says she is honoured to be part of the teaching team for NPCC.

A highly experienced dancer, Therese started ballet at a young age, and progressed to dance professionally in several cities around the world. Over the years Therese has had the privilege of teaching all disciplines of dance to all ages.

Therese started physie for exercise after having her 2 beautiful children. Several years and many comps later, the rest is history!

## DREW MARTIN

Drew couldn't be more excited to be a BJP Associate.

*"Sharing this teaching journey with my mum (Kylie) and sister (Abbie) makes it even more special. I hold our NPCC physie family close to my heart. I love the way we support each other both inside and outside of the classroom."*

Besides Physie, Drew keeps busy by studying a double degree in psychology and criminology while also working. You will regularly find Drew at the beach with friends, seeing her favourite artists live at concerts and taking Pilates classes.

## ABBIE MARTIN

As a physie girl since she was little, Abbie is excited to now be a BJP Associate teaching and supporting other girls at Northlakes Physie.

Abbie loves camping with her partner and puppy, as well as working in her own beautician/lash business. But her biggest passion is to make other women feel good!

*"I can't wait to see everyone grow throughout the year!"*

## COMPETITIONS

---

### Competitions are not compulsory, **but they are fun!**

Entering competitions is optional at Northlakes Physical Culture Club. We will never pressure anyone to compete if they choose not to; however, we do encourage all girls to set personal goals, try their best, and step outside their comfort zones. Competing isn't just about placing, it's about growth, confidence, and learning to challenge yourself. Competitions are a wonderful opportunity to build self-belief, develop resilience, and meet Physie girls from all over Australia. The BJP Physie year culminates in a series of competitions for both individuals (Champion Girl) and teams, offering every participant a chance to grow, celebrate their progress, and be proud of what they achieve.

#### RIBBON COMP

The Northlakes Physie Club Ribbon Comp is held in the middle of the year prior to Interclubs. It is an informal event designed to be a practice for the BJP competitions. The Ribbon Comp is a great way for girls to shake out any nerves they may have about performing in front of an audience, and is also a wonderful chance for families to see the girls perform. Girls will be required to wear a leotard or performance wear (official BJP or other). No places will be awarded at the Ribbon Comp, however all girls will receive a participation certificate and a small entry prize.

#### INTERCLUBS

Each year Northlakes Physie participates in two Interclub competitions. Arranged by host clubs, these friendly practice competitions are run as a Champion Girl style event with other BJP Physie clubs. Places will be awarded for each event at an Interclub, and every competitor will receive a certificate and a medal. Competitors will be required to wear an official BJP leotard or performance wear, and conform to the BJP competition rules. To be eligible to compete in an Interclub, names must be registered in advance and entry fee paid to Northlakes Physie prior to the event.

## CHAMPION GIRL

Champion Girl is an individual competition where girls are encouraged to pursue their personal goals. Girls compete against other BJP members of the same age group in their zone. A series of heats and finals are held with a number of girls performing together at the same time. The first 5 places awarded in each age group qualify directly for Nationals, with the remaining Junior finalists qualifying for Repechage. Any girl that has registered with BJP is eligible to compete at their zone Champion Girl. Competitors will be required to wear an official BJP leotard or performance wear, and conform to the BJP competition rules.

Please see our Calendar of Events for a guideline of Champion Girl competitions and locations.

## REPECHAGE

Finalists from Junior Zone Champion Girl are offered the opportunity to compete again at Repechage against all other finalists from their age group from all zones across Australia. The top 5 girls in each age category at Repechage qualify for Junior National Finals. Competitors will be required to wear an official BJP leotard or performance wear, and conform to BJP competition rules.

## TEAMS

Team competitions are held in November each year at Sydney Olympic Park. A team of eight girls or ladies from each age group perform synchronised routines together as a team. This is one of the most exciting events on the Physie calendar.

While it is not always possible for all girls to perform in Teams, we will try our best to ensure every age group has the opportunity to be part of Team events.

This is a fantastic time of fun and friendship; a wonderful opportunity to build a great sense of comradery between the girls, develop their ability to work as a team and make fantastic bonds that last a lifetime.

To be eligible to compete, clubs must register teams in advance. Participating in a Team requires a commitment to attending all team classes.

There is no entry cost to the individual to compete in teams, however additional costs may be incurred for classes, competition wear hire, accommodation etc.

## PRESENTATION DAY

The end of year presentation day is a chance for our Northlakes Family to come together to wrap up the year. This is usually a fun demonstration of our work for the year or a dance that we have learned.

We may ask the girls to wear something bright or colourful but there will be no requirement for expensive costumes or concert tickets, and there will not be any competition. We end the day with a presentation to all the girls, recognising their achievements for the year no matter how big or small!

## WHAT TO WEAR

---

### NORTHLAKES UNIFORMS

While uniforms are not compulsory for class, we do have a range of Northlakes Physie apparel available to purchase. Styles include a selection of tops and jackets. If you do not have, or do not wish to purchase a Northlakes Physie uniform you will be required to wear a singlet top (preferably plain black) and tights (preferably above the knee) for weekly classes. This is important so that teachers can see correct posture and positions, therefore loose fitting clothes are not acceptable.

### PERFORMANCE WEAR

Should you wish to enter competitions all girls are required to wear official BJP performance wear, which can be purchased online all year round from [www.physieshop.com](http://www.physieshop.com).

Expect to pay around \$40-\$70 for each BJP performance wear item. Styles from the current or some previous years may be worn. Skin-coloured mesh or plain tights are optional, and no dance shoes are required.

## COMMUNICATION

---

Communication is important to us and for this reason we ask that all students and/or their families are members of the Northlakes Members Only Facebook Group. This group is a fantastic way for us all to stay connected and be supportive, to ask questions and send reminders.

We will use the Members Only Facebook Group to post news and updates, and also share what the girls have been learning in class. We will also send emails and notes home from class from time to time. If you have any questions or would like to discuss anything about your child, please feel free to contact us.

## FUNDRAISING

---

As a small, locally run, volunteer-based not-for-profit club, fundraising is essential to the continued success of Northlakes Physie. To reduce the need for repeated fundraising throughout the year, we include a \$20 compulsory fundraising fee in our annual registration.

This support helps cover key expenses such as hall hire, insurance, music licensing, team uniforms, and general operating costs. We work hard to keep our fees as affordable as possible for families, and fundraising plays an important role in allowing us to do so.

Families may still be invited to assist with activities such as BBQs, raffles, chocolate drives, or events, which also help build our club community. We are grateful for any additional support through volunteering, donations, or raffle prizes. If you have ideas or would like to help, please contact our Fundraising Committee.

## ANNUAL MEMBERSHIP PAYMENTS & DISCOUNTS

---

- Northlakes Physie will provide a Statement of Fees for your Annual Membership during Term 1, and at intervals throughout the year. Payments can be made by Direct Deposit.
- Northlakes Physie is a registered provider of Active and Creative Kids.

## **Membership, Fees & Registration:**

I understand and agree to pay the Bjelke Petersen School of Physical Culture registration fee of after attending no more than two classes at Northlakes Physie. This fee is to be paid directly to BjP Physie via [www.physicalculture.com.au](http://www.physicalculture.com.au). If I do not pay this fee I understand that I am not permitted to attend classes at Northlakes Physie until it is paid in full.

I understand and agree to pay the Northlakes Physical Culture Club annual registration and fundraising fee of **\$70** after attending no more than two classes at Northlakes Physie. This fee is to be paid directly to Northlakes Physie. If I do not pay this fee I understand that I am not permitted to attend classes at Northlakes Physie until it is paid in full.

I understand and agree that I am registering for an **annual membership** and I will receive a statement for membership fees with Northlakes Physical Culture Club according to my elected membership and payment structure, and I agree to pay those fees in full as they are due. All fees must be paid regardless of class location or class attendance.

I understand and agree that failure to pay fees may result in exclusion from the club or conditional re-enrolment until the matter is resolved.

I understand and agree that once registration is complete all fees are non-refundable.

Late season enrolments are subject to the same registration fees, however class fees will be calculated on a pro-rata basis per the number of weeks remaining in the season.

Applications to temporarily suspend membership must be made in writing to [northlakesphysieinfo@gmail.com](mailto:northlakesphysieinfo@gmail.com) and will be granted at the absolute discretion of Northlakes Physical Culture Club.

Cancellation of membership must be provided in writing to [northlakesphysieinfo@gmail.com](mailto:northlakesphysieinfo@gmail.com) with at least 2 weeks notice. You will continue to be responsible for any and all fees that fall due during the 2 week cancellation period.

## **Discounts:**

\$50 Early Bird Discount will be applied to 5 years to Ladies Annual Membership Fees paid in full by 1 April 2026. Offer does not apply after 1 April 2026.

Families with more than two registered members are eligible for Family Discounts. Third and subsequent members will receive a 25% discount. Family Discounts will only apply to immediate family members, billed to the same account. Early Bird discount does not apply in addition to Family discounts. No further discounts will apply.

Northlakes Physical Culture Club is a registered provider of the NSW State Office of Sport Active and Creative Kids program program and will accept vouchers towards payment of membership fees or club registration.

## **General:**

I agree to respect the Associates decision and expertise in regards to selection of teams and group performances.

Newsletters, notifications and statements will be sent electronically to your registered email address and/or mobile number. I agree to ensure any changes remain current with Northlakes Physie.

I understand that information and club news will be published (regularly OR time to time) online in the Northlakes Members Only Facebook group which I may request to join.

I the undersigned, acting for myself, or parent or legal guardian of the below named child, agree that participation in Physical Culture classes run by Northlakes Physical Culture Club are at my/our own risk. Any accident or injury incurred at such times is in no way the fault of the instructor, associates or committee members of the club and are my own responsibility.

**Member Full Name:** \_\_\_\_\_

**Parent/Guardian Full Name (if applicable):** \_\_\_\_\_
